Document code	JTAF-CLR-2026
Version	2026.1
Date	18 September 2026
Status	Permissions Reference

Reference for editors, production staff, authors, and permissions handling. JTAF copyright is retained by the author(s), and published content is licensed under Creative Commons Attribution-ShareAlike 4.0 International (CC BY-SA 4.0), unless otherwise stated.

1. Copyright holder

Authors retain copyright in articles published by the Journal of Tropical AgriFood (JTAF). Authors grant JTAF the right of first publication and authorize the journal to publish, distribute, archive, index, and disseminate the article in accordance with the applicable license and journal policies.

2. Standard license

Creative Commons Attribution-ShareAlike 4.0 International (CC BY-SA 4.0). Official license URL: <https://creativecommons.org/licenses/by-sa/4.0/>

3. What the license permits

- Share - copy and redistribute the material in any medium or format.
- Adapt - remix, transform, and build upon the material for any purpose, including commercial purposes.
- The licensor cannot revoke these freedoms as long as the license terms are followed.

4. Core conditions

- Attribution: give appropriate credit, provide a link to the license, and indicate if changes were made.
- ShareAlike: adaptations must be distributed under the same license as the original.
- No additional restrictions: do not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

5. Recommended JTAF article notice

Standard notice

Copyright (c) Author(s). This article is licensed under the Creative Commons Attribution-ShareAlike 4.0 International License (CC BY-SA 4.0).

6. Author reuse

- Authors may reuse their published article for teaching, research, institutional repositories, personal websites, and other uses consistent with CC BY-SA 4.0.
- When redistributing the published version, the original JTAF citation and DOI should be retained where practicable.

7. Third-party material

- Authors are responsible for obtaining permission for third-party figures, images, tables, or other material not covered by the article license.
- A third-party credit line may specify different rights or restrictions. Do not assume every item embedded in an article is automatically reusable under CC BY-SA 4.0.
- If permission terms restrict reuse, the restriction should be clear in the caption or credit line.

8. Editorial and production checks
